### OUR ROOTS GROW DEEPER AS OUR REACH EXPANDS

*“Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.”* Ecclesiastes 4:12

The Lord has been strengthening A Great Door Ministries over the past few years through a series of exciting and unexpected relationships. I recently had the pleasure of meeting with the Chicago Regional Director from The Navigators Ministry. The Navigators Ministry is a ministry that is sold out to Jesus’ command to “go and make disciples of all nations.” They have been passionately fulfilling that Great Commission for the last 80 years.

The Navigator’s currently have a presence in 106 nations around the world.

Realizing that we share the same commitment and global vision, to go and make disciples of every nation, The Navigators Ministry has welcomed A Great Door Ministries with open arms and they have made powerful ministry tools and other resources available to us. Several divinely appointed connections have been established and continue to grow.

Through our association with The Navigators, I was introduced to Q Place Ministries, formerly known as Neighborhood Bible Studies. Q Place Ministries is a global ministry that “provides resources for spiritual seekers to question, discover, and grow in their relationship with God, through a facilitated small group process.”

They have been providing us with additional training and other ministry tools that will enable us to become even more effective in the areas of evangelism and discipleship.

This amazing cord that the Lord has been weaving with A Great Door Ministries, The Navigators Ministry and Q Place Ministry has brought an increase of strength, effectiveness and stability to us. **It is a powerful thing when the body of Christ comes into unity!**

As if this wasn’t already enough, little did we know that the Lord had one more partnership in mind for us. Our dear sister in the Lord Ann Petry, fulltime missionary to Uganda, has become a part of A Great Door Ministries.

We have been given the great honor of provid-

CHANGING NATIONS BY CHANGING LIVES

ing stateside administrative support for Ann as she continues the life changing work that God has called her to in Africa. **The Lord is ministering to thousands of people a month through her commitment and presence there. Lives and a nation are being changed.** (Go to our Missions page to view her current Newsletter).

What excites us the most is Ann's passion for making disciples. While ministering in Africa in 2007, the Lord challenged her, "my church has lost my pattern", He said, "my pattern is discipleship." In response to that challenge she came back to the states, gave up a very lucrative career, sold all her possessions and went onto the mission field full-time.

If you were to ask Ann today what she is doing in Africa she will tell you that she is busy "discipling a nation." She will also be quick to add that although she no longer has any worldly possessions, she has never been happier nor has she ever experienced so much fulfillment.

There is no greater joy in life than when we allow God's will to be fulfilled through us.

We continue our outreach into local communities here in the states and we are also prayerfully seeking the Lord's guidance about extending our outreach into a local women's shelter for abused and battered women and children, and into the prison system as well.

The newest member of our team is **Morn Chin.**

Remembering his own *aching* hunger and pain, struggling to survive in war torn Kampong Cham Cambodia,

Morn is now a strong advocate for those that are less fortunate. He is passionate about connecting the abundant resources of others to the desperate needs of the people and country he loves. (Go to our Missions page to learn more).

Please keep A Great Door Ministries in your prayers. In Matthew 28:18-20 Jesus came to his disciples and said, "All power is given to me in heaven and earth. Go ye therefore, and teach (or make disciples) of all nations, baptizing them in the Name of the Father, and the Son and the Holy Spirit, teaching them to observe all things whatsoever I have commanded you and lo, I am with you always, even to the end of the world."

If you are not already a partner with this ministry, **will you prayerfully consider becoming one.** Together we can continue to fulfill God's Great Commission to preach the gospel to every creature and to make disciples of all men.

His Love His Way, *Narcy*
